

Gas Log Incentive Program

Southern California Residents

FMI Products is excited to be a part of the Healthy Hearths Gas Log Incentive Program! This program rewards residents of the South Coast Air Basin for converting their existing wood burning fireplaces to clean-burning gas units with a gas log set, gas stove or gas fireplace.

Residents can receive a **\$200** discount towards the purchase and installation of a new gas log set that replaces wood burning in existing fireplaces. See the FMI Healthy Hearths Gas Log Brochure under Latest News for a list of qualified gas log sets.

Residents can also receive a **\$200** discount towards the purchase and installation of a new gas stove or gas fireplace that replaces existing wood burning fireplaces.

No mail-in rebate required! Discounts apply at the register! Simply locate a participating FMI retailer and select the qualified gas product that's right for you. All products must be installed by the dealer.

Discounts apply to the first 1,000 customers who purchase and install a qualified FMI gas product. This is a limited time offer. Get your discount today!
